

The logo is a circular gold seal with a serrated edge. Inside the seal, the text "Journal of Medicinal Chemistry" is written in a serif font. "Journal of" is in a smaller size, "Medicinal" is the largest, and "Chemistry" is also large. The background of the entire page features a 3D molecular model with atoms represented by colored spheres (blue, yellow, red, orange) and bonds, overlaid with a green and blue electron density mesh.
